GOSPEL

It is common for us in our times to be careful about the salt we use. However, in Jesus' day, salt was a very important commodity. It was used to pay salaries. Like us, people used salt to flavor food. But, because there was no refrigeration, salt was also used to *preserve* food. That is why, when Jesus called his disciples "salt" and "light," he declared their great importance. What was of significant importance to Jesus was the enthusiasm with which the disciples spread the Good News.

CATECHISM PROGRAM

We extend our sincere gratitude to the parents, children, and volunteers who came together last Saturday for our mini-retreat with the First Communicants and Confirmandi. Your generous presence, dedication, and support made this time of prayer and reflection truly meaningful. Through your efforts, we continue to grow closer as a community of faith, united in our journey of formation and love for Christ.
